Sir:

LETTER CONCERNING ACCEPTANCE OF DRAWINGS

Applicants have received the Notice of Allowability and have noted in box 5 thereof that no corrected drawings are required. Applicants never received an indication of acceptance of the Substitute Sheets filed April 29, 2005, but now believe that the lack of requirement for further correction as evidenced by the Notice of Allowability indicates that all drawings are now acceptable. If the US Patent Office is of the contrary opinion, please notify the undersigned immediately at **telephone number (703) 816-4127**.

Respectfully submitted,
NIXON & VANDERHYE P.C.
